License Plate State: _____ Plate # _____

Registration Owner: _____

I _____ understand students with a current Off-Campus Parking Pass from Denbigh High School are eligible to purchase an Airport Parking Permit.

Mrs. Nazario-Vázquez will purchase the airport parking permit from the airport police after verifying Students Off-Campus Pass and receiving this completed form signed by both student and parent along with a contact phone numbers. The cost of each permit is **\$40.00 cash**.

Once a permit is received, parking will be allowed in the Airport Employee Lot across from the Aviation Academy. **Specifically, students will park in the row with the lights.** At the beginning of the school year, parking passes cannot be purchased until the student can provide his/her Off Campus Parking Pass from Denbigh High School. Temporary parking passes will not be given. If the student will be driving over each day for one or more classes at Aviation, they will need to purchase the parking pass.

If an Officer on Patrol finds any vehicle in the parking lot without proper permission to park there, they will issue a ticket at the vehicle owner's expense. Students who purchase a parking pass are NOT ALLOWED TO TRANSPORT OTHER STUDENTS. The only exception is if an authorized student brings their sibling to school and/or takes them home. In that case a letter from the parent authorizing this circumstance for their children is required for Aviation Academy to keep on file. Anyone caught parking without a permit will have their parking privileges revoked for a minimum of one week.

Student and parent acknowledge understanding and willingness to adhere to airport policy by signing this form.
