

Recommended Supply List for Denbigh High School – Aviation Academy 2016-2017

The following items are recommended for Denbigh High School Students. This is a suggested list only. Individual teachers may require additional items that are specific to their courses once students report to their classes.

- Binder(s) – one for each subject
- Loose Leaf Paper – for each subject
- Dividers or Tabs
- 4-5 spiral notebooks
- Pens
- 2 composition books (For H. E. Science and AP Environmental Science classes)
- Pencils
- Highlighters
- 4 GB Flash drive (Scandisk brand or other brand that does not require software to be loaded)
- A TI-84 Plus Silver Edition calculator is recommended as students will need it for individual practice, PSAT, and SAT testing. One will be provided for in class use. Recommended that the students download “Wabbitemu” on their phones for practice at home.
